

Site tour and panel discussion with Diageo: Unlocking the Power of Diversity

WEDNESDAY 12 FEBRUARY @ 3PM

Another amazing event from our NSW Committee, in collaboration with NAWO member company Diageo Australia. Attendees will be treated to an exclusive tour of Diageo's Huntingwood facility, where iconic brands such as Bundaberg Rum and Smirnoff are bottled.

Afterwards, you'll hear from experienced leaders about their personal career experiences, the challenges they've faced, and how Employee Resource Groups can help support team members and drive meaningful workplace cultural change and inclusion initiatives.

This event is a unique opportunity to connect, learn, and be part of the conversation around creating more inclusive workplaces – let's unlock the potential of our community together!
