

# Site tour and panel discussion with Orica in Newcastle

WEDNESDAY 26 MARCH @ 10:00AM

Join NAWO's Newcastle Committee for this exclusive tour behind the scenes of Orica's Kooragang Island plant. You'll also get the chance to hear from a panel of female leaders at Orica.

Strategically located at the entrance to the Hunter Valley, Orica Kooragang Island is an integral part of the company's global operations and makes an important contribution to the local and broader Newcastle community. The site includes an ammonia plant, three nitric acid plants, two ammonium nitrate plants and a product dispatch facility.
