

Speed Networking with NAWO in Perth

THURSDAY 20 FEBRUARY @ 5:00PM

Was it your New Year's resolution to get out & network more with like-minded people? Well, have we got a fun event for you!

Our first WA NAWO event of 2025 will kick off with an introduction to NAWO, where you'll learn about our mission and how we support the advancement of women in operations. Following that, enjoy an exciting session of speed networking, drinks, and nibbles, designed to help you build meaningful connections with like-minded professionals.

Come and join us for some great conversation and evening fun in the city!

Registrations are now open – this event is open to both members and non-members, and all genders, so come along and learn all about NAWO and why it's a great network to be a part of! Limited spots available so grab a colleague or two and secure your spots.
