

National Association of Women in Operations: Tasmanian Launch

THURSDAY 15 MAY @ 10:00AM

NAWO is hitting the ground running in Tasmania - and we want you there to celebrate with us!

With over half of our member companies operating in Tassie, we're thrilled to officially launch our presence and grow our mission of supporting women in operations. From career development to industry solutions, NAWO is here to help drive connection, inclusion, and progress – now across Tasmania.

We're proud to be kicking things off with the support of our newest Tasmanian members – TasWater and Hydro Tasmania – and the incredible energy of our founding volunteer committee, featuring leaders from Tassal, TasWater, Hydro Tasmania and Asahi.

Join us for our official launch at the iconic Cascade Brewery, hosted by Asahi. We'll be joined by the Hon. Jo Palmer, Minister for Women and the Prevention of Family Violence, and there's the chance to tour the brewery after the formalities.

This is just the beginning, with site tours and events already in the works from Hobart to Burnie and beyond. RSVP now and be part of NAWO's next chapter in Tasmania!
