

Coffee Catch-Up in the Sydney CBD

TUESDAY 15 APRIL @ 8:00AM

Join the NAWO NSW Committee in the Sydney CBD for a coffee and conversation – your first drink is on us!

NAWO Committees are specialists at activating change through connection. We understand that it's the everyday interactions and discussions that can spark ideas and foster meaning in someone's life. For a network that's all about making a difference – these are the events that matter!

These catch-ups are free of charge and include a complimentary warm drink for all attendees. You're welcome to drop in any time between 8:00AM and 10:00AM – great opportunity to connect with NAWO and others in operations on your way to the office.

Thank you to member company Intellihub for collaborating with us on this event.
