

Drinks with NAWO in Port Kembla

FRIDAY 2 MAY @ 4:00PM

Live or work in the Illawarra? Join us for an end of week drink in May!

Join the NAWO NSW Committee and others working in operations for a chat and connection over an end-of-week drink.

Your first drink is on us, and we'll have some nibbles to share. All genders welcome, and don't worry if you're coming straight from work - uniforms also welcome!

Don't miss this great opportunity to meet others working in operations and relax after the work week – connection is the heart of community, so come along and experience the strength of the NAWO network for yourself!
